

Sharon Public Library
Community Room

WED. MARCH 25, 2009 • 7PM

You turn on the tap and it's always there *but...*

Where Does My Water Come From?

Please join us for an informative discussion about the **Sharon Water Department** and the infrastructure that supports the town water supply.

Featuring an overview from the highly acclaimed Penn State Broadcasting documentary, **“Liquid Assets”**

Guest speakers include:

Eric Hooper DPW Superintendant

Complexity of local water system • Importance of water infrastructure for public health and economy • Implications of future development

Ian Cooke Director Neponset River Watershed Association

How watersheds are shared by local communities
Environmental concerns • Conservation

Do you know about your local water resources?

What happens if there is no water service?

How does your water use affect the environment?

Is water an infinite resource?

Do you take your water for granted?

This EqualAccess program is being funded through the Massachusetts Board of Library Commissioners with funds from LSTA (Library Services and Technology Act), a Federal source of library funding provided by the Institute of Museum and Library Services. EqualAccess Libraries™ is a professional development program sponsored by Libraries for the Future (LFF).
