Thanks, Norwood, for Supporting NepRWA Fall Fest 2004!

The Neponset River Watershed Association would like to thank all of the local businesses, residents and members who made the NepRWA Fall Fest Auction 2004 a terrific success!

In particular, NepRWA would like to extend a special thank you to the following Norwood residents and businesses who made Fall Fest 2004 possible: Betty Cottrell, Vanderbilt Club — including its Spa, Sky Restaurant, Four Points by Sheraton, Outback Steakhouse, and Poirier Sales & Service Corporation. Thank you for all of your hard work and support!

More than 100 people gathered on October 15 for this silent auction, hearty dinner, and jazz at Canton's Brookmeadow Country Club. Amidst the smiles, laughter and warm conversation, Fest-goers, bidders, donors and volunteers raised critical funds for local environmental protection work.

Proceeds from the auction will support the work of the Neponset River Watershed Association. For example, funds will cover: water quality monitoring to locate and stop the contamination of local waterways; public education about the nature of local water flow and the effects of dams, various pollutants and water withdrawal plans; modification of residential and commercial developments to make them more environmentally sound; and collaboration with citizens, nonprofit organizations, municipal and state government agencies, schools and local businesses to keep the local environment and public health in top notch quality.
