Explore the Outdoors

The air is warming, the sun is shining, and now there's an exciting way to get outside and enjoy it all!

At 2PM on Sunday, April 10, join the Neponset River Watershed Association for an exploration of a natural gem. Led by Naturalist Jayne DiCandio, participants will discover the secrets of Fowl Meadow in Milton, where the natural world's been flying, singing, budding, swimming and waddling for weeks. Attendees will learn about animal homes and sign, plant life and a variety of early spring happenings in this greening wetland.

Participants should bring sturdy, waterproof shoes. The trip will run 1-1.5 hours. Rain will cancel the event. Meet at Paul's Bridge parking lot, at the corner of Brush Hill Road and Neponset Valley Parkway in Milton. Parking is available in the parking lot or on Brush Hill Road. Car-pooling with friends and family is recommended. RSVPs are appreciated but not required. This event is free and open to the public. To contact the Watershed Association: 781-575-0354 or rocklen@neponset.org.

The Neponset River Watershed Association is a nonprofit environmental organization working to protect the natural resources of the 14 towns in the Neponset River Watershed. To learn more about NepRWA and upcoming events, visit www.neponset.org or call 781-575-0354.
