Environmental Social

Have you found yourself wanting to expand your circle of friends or find a new outdoor activities partner? Maybe you'd like to learn more about what's happening in your community – environmentally, and otherwise.

Either way, there will be a perfect opportunity for all of the above on Sunday, January 23. The Neponset River Watershed Association (NepRWA) is coordinating a gathering at a local pub – Finbar's Pub & Meetinghouse, 659 Washington St., Norwood.

Besides abundant conversation, laughter, and good food and drink, the NFC Championship Game will be playing on nearby TVs. As you can see, there's many a good reason to find yourself in pleasant company, that day!

All who are interested should RSVP to Carly at 781-575-0354 or rocklen@neponset.org. Participants will meet at 3PM, January 23, at Finbar's.

The Neponset River Watershed Association is a nonprofit environmental organization that works to protect the natural resources of the 14 towns and communities that make up the Neponset River Watershed. To learn more about NepRWA, visit the website, www.neponset.org, or call 781-575-0354.
