Town of Sharon
Water-Efficient Clothes Washer Rebate Program
Conditions and Guidelines

A rebate of up to **\$200** is offered for the purchase of a high efficiency clothes washer. It takes 4-5 weeks after application to process a rebate check.

The washer must have an “integrated water factor” of **4.0 or less** as shown on the Energy Star clothes washer list at www.energystar.gov. ***Not all Energy Star washers qualify!***

Water factor is the number of gallons of water used per cubic foot of laundry capacity. For maximum savings look for models with a water factor lower than 4.0. Some models have water factor ratings as low as 2.7.

A copy of your receipt must accompany the rebate application and **if purchased by credit card, a copy of your credit card statement is also required.**

All clothes washer rebate applications must be made within **90 days*** of purchase.

One washer rebate per household.

The applicant must be a residential water customer of record for an active, non-delinquent account. The washer must be installed at the property where the water is delivered.

Only new washing machines, purchased for personal use and not for resale are eligible.

The property owner is solely responsible for ensuring proper installation. Proper disposal of the old machine is the responsibility of the property owner. Old machines may not be reused.

The Town reserves the right to perform a site visit to verify installation prior to or following issuance of a rebate.

The Town is not responsible for washer performance or estimated savings, and does not provide any warranties or guarantees, express or implied.

Offer does not apply to new construction.

***Clothes washer rebates are subject to availability of funds on a first come, first served basis during each fiscal year (July 1st through June 30th). If a clothes washer is purchased towards the end of the Town’s fiscal year, all paperwork must be submitted to the DPW office within 10 business days of the close of the year (June 30th). The Town reserves the right to amend and/or discontinue this program without notice.**
